Additional Supplies

- Softly Woven Embossing Folder
- White pearls
- Flower and leaf dies
- Sentiment label die
- Basic White envelope
- Adhesive and Stampin' Dimensionals

Card Front

1. Fold the 4 ¼" × 11" Basic White card base on the score line at 5 ½".
2. Emboss one 5" × 4 ¼" piece of Gorgeous Grape cardstock with the **Softly Woven Embossing Folder**. Adhere it to the front of the card, leaving an even white border.
3. Cut the 3" × 4 ¼" piece of Violet Dreams DSP vertically into **three 1" × 4 ¼" strips**.
4. Arrange the three DSP strips on the 3 ½" × 4 ½" Highland Heather cardstock, leaving a narrow space between the strips. Keep the pattern in its original order so the floral design flows naturally from one panel to the next. Adhere the strips in place.
5. Attach the completed Highland Heather panel to the center of the embossed Gorgeous Grape layer.
6. Die cut three flowers from the Gorgeous Grape scrap and leaves from Peaceful Pine cardstock. Arrange them near the upper-right corner of the DSP panel and adhere. Add a **white pearl to the center of each flower**.
7. Stamp **"I appreciate you"** in Gorgeous Grape ink on Basic White cardstock and die cut with the sentiment label. Attach the sentiment across the lower-left portion of the card front, using Stampin' Dimensionals if desired.

Inside the Card

1. Adhere the second 5" × 4 ¼" piece of Gorgeous Grape cardstock inside the card.
2. Attach the 2" × 5" strip of Violet Dreams DSP vertically along the left side of the Gorgeous Grape layer.
3. Stamp the flowers in **Highland Heather ink** near the lower-right corner of the 4 ½" × 3" Basic White writing panel.
4. Adhere the Basic White panel over the Gorgeous Grape layer, positioning it slightly toward the right so a portion of the DSP remains visible along the left side.

Matching Envelope

1. Cut a piece of Violet Dreams DSP to **6” × 2 ¼”**.
2. Adhere the DSP across the outside of the envelope flap, making sure the paper completely covers the flap.
3. Once the adhesive is secure, carefully trim the excess DSP around the edges of the flap using Paper Snips.

Your coordinating card and envelope are now ready to send—a beautiful handmade way to let someone know just how much they’re appreciated!
